On behalf of the GFWC Dominion Woman's Club, I would like to thank you for your generous sponsorship of our **4th Annual Scramble for Shelter** golf tournament held at the Dominion Valley Country Club on July 11, 2011. Whether you were a golfer, sponsor, raffle contributor or volunteer, we truly appreciate your generosity and contributions!

It is because of your participation that we had a record fundraiser! Nearly \$18,000 was raised this year! This tremendous financial boost will go towards continuing and expanding club projects and programs in support of our mission to "improve the community by enhancing the lives of others through volunteer service". Thank you for making this possible.

The annual **Scramble for Shelter** benefits our shelter charity projects including SERVE, BARN Transitional Housing, Fauquier Family Shelter Services, Prince William Chapter of the American Red Cross, INMED Partnership for Children, Fisher House Walter Reed, Project Mend-a-House, and the Friends of Homeless Animal Shelter. Your kind-hearted donations allow us to provide these organizations much needed assistance.

1st Place Women's Foursome

This year's Scramble paid tribute to Bruce C. Baker, FM Global, who passed just prior to our event. For all that he did to demonstrate his belief in our club and his generous sponsorship of our Scramble for the past 4 years, we donated \$1000 to the Bruce C. Baker Memorial Fund, which supports the lymphoma research foundation. Our Dominion Sisterhood Juniorettes planted flowers, donated by the Farm at Broad Run, in a memorial garden at the Friends of Homeless Animals.

FM Global Participants

It's through our "connections from the heart..." that we serve our community. We value our connections with you and thank you for your contribution to the Dominion Woman's Club.

Sincerely,

Sandy Malinowski
GFWC Dominion Woman's Club, President
