## Fundraising Events Continue to Support the Community

Join US: **Monday, July 12, 2010.**

Each year the DWC hosts their Annual "**Scramble for Shelter**" at DVCC! Starting with the purchase of a Red Cross Shelter Trailer for Prince William County in 2008 to offering much needed support to area homeless shelters and transitional housing organizations in 2009. Community support is essential with continuing our services. Make DWC your charity of choice, and help us "bridge gaps in the community".
